Hello!

Dear Potential Sponsor,

I'd like to invite you to participate in this year's MetroBall to be held on June 5, 2020. GDMAF is celebrating its 25th Anniversary as an organization. This yearly event is the primary funding source for the Greg Dollgener Memorial AIDS Fund (GDMAF). The MetroBall dance party and silent auction proceeds support local HIV / AIDS organizations and their clients' needs for emergency assistance in North Texas. We are a last resort organization.

In past years, this fun, exciting, and energy-filled event has included such artists as, Belinda Carlisle, Andy Bell of Erasure, Thelma Houston, Taylor Dyane, Linda Clifford, and Crystal Waters entertaining up to 700 persons supporting the work of the GDMAF organization.

The following pages outline the sponsorship levels available along with their associated benefits. We hope you'll review the sponsorship opportunities and commit to helping us to continue supporting the ever-growing number of people with HIV / Aids in need of emergency assistance.

What is MetroBall?

MetroBall is a fundraising event to help people with HIV/AIDS. We are expecting between 750 to 800 people to attend this year's event. **Our goal this year is to raise \$60,000 to benefit the Greg Dollgener Memorial AIDS Fund, a 501 (c) (3), all volunteer, non-profit organization.**

In 1994, Greg Dollgener lost his struggle with AIDS. His personal strength, volunteer work, and his own commitment to provide compassionate care for those afflicted with HIV and AIDS inspired those around him.

In 1996, a group of friends who had lost many of their friends and family members to AIDS, came together and created the GDMAF in Greg's honor so that his work and spirit could live on. With the help of people like you, the GDMAF continues to provide emergency assistance to those individuals and families who are impacted by HIV/AIDS in North Texas.

In 2006, MetroBall was born. **This event continues to attract a whole new audience to the AIDS effort – young adults.** The number of new cases of HIV among young adults is one of the fastest growing numbers in the United States. **Our effort with MetroBall fosters awareness of HIV/AIDS to this younger audience** while providing the GDMAF with a vital fund-raising event.

Again this year, MetroBall will be held at S4, "Dallas' Premier Dance Club". There will be a live and a silent auction, raffles and a major headline International Recording Artist will perform as part of the evening's entertainment.

With your generous support, lives are being changed!
