**-FOR IMMEDIATE RELEASE-**  
**THE GREG DOLLGENER MEMORIAL AIDS FUND**  
**ANNOUNCES DATE CHANGE OF METROBALL XV RELATED EVENTS**

**April 19, 2021 – Dallas, TX:** COVID-19 is on everyone's mind and with the ever-changing guidelines and rules for public venues, we share in the concerns about the health and safety of all those that attend our events as we slowly return to hopefully a normal with the vaccines. For 25 years you have helped GMDAF to provide desperately needed emergency assistance to men, women and children with HIV and AIDS. We remain optimistic that we can continue serving our community through these changing times. We appreciate those individuals, organizations and businesses that continue to donate and support us. The needs are even greater now and our all-volunteer board will continue to work hard at helping those in emergency situations until we have exhausted our funds.

After careful considerations and discussion, we have made the following updates:

**MetroBall Express:**

Our bus trip to WinStar Casino, which was originally scheduled for **May 8, 2021, has been canceled.** We are looking at the possibility of having it this fall. Our new partnership with Premier Transportation, has assured us that every step-in cleaning and preparing the bus will be taken when we can have the event. WinStar Casino has assured us they are doing everything in accordance with and are in total compliance of all CDC, Federal, State and Local health department guidelines.

**MetroBall XV:**

In Interest of safety for our entertainers, our volunteers, the staff of S4 and our guests, and due to current limitations, MetroBall XV will take place on **Friday, June 3, 2022.** Tiffany, Jennifer Holliday, Thea Austin, and Chris Chism have all been confirmed for the new date. They are excited about performing in front of live audiences again and will bring a great show to MetroBall. If you have already purchased (or won) tickets for this year's planned event, we will honor those tickets in 2022. Tickets will go on sale later this year – watch for additional announcements. David Hearn is working with those who have signed up as sponsors – and lots of sponsorship opportunities are still available.

Additional information about MetroBall and other events will be forthcoming. For future updates, please follow GMDAF on Social Media: FaceBook, Twitter and Snapchat: GDMAF | Instagram: GDMAF.Dallas or visit our website: GDMAF.org.

Let us never forget to love and care for one another. Thank you for your continued support and understanding. If you have questions, you can visit our website at [gdmaf.org](http://gdmaf.org) and send us a message through the "Contact Us" section. We will respond as quickly as possible.
